Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO-SB-08 Form. Applicants submit this Information Disclosure Statement (IDS) together with a Request for Continued Examination (RCE) for the above-identified application.

Applicants attach a copy of each listed document, except for the listed U.S. Patent. Applicants respectfully request that the Examiner consider the listed documents and indicate their consideration by making an appropriate notation on the attached form.

The listed documents were cited in a communication from the European Patent Office issued in a counterpart foreign application on February 16, 2006. This IDS is being filed within three months of the mailing date of that communication. A copy of that communication is also enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If the Examiner applies the documents as prior art against any claims in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
